Grant Announcement Summary

Grant Title: HS NIMS/ICS Training 2015

Description: Funding is provided to Wisconsin Emergency Management (WEM), Bureau of Planning and Preparedness to administer NIMS/ICS training classes for Wisconsin first responders.

Opportunity Category: Limited Eligibility

Important Dates:

Application Due Date: May 3, 2016
Project Start Date: May 1, 2016
Project End Date: April 30, 2017

Anticipated Funding Amount: As approved by the Homeland Security funding advisory committee, the dollar amount available under this funding opportunity is \$175,000.

Match/Cost Sharing Requirement: None

Eligibility: Only Wisconsin Emergency Management is eligible to receive funding under this grant as identified by the Homeland Security Funding Advisory Committee.

DUNS Number: The federal government now requires a DUNS number as part of the grant application to keep track of how federal grant money is awarded and dispersed. If your organization needs to obtain a DUNS number, go to <http://fedgov.dnb.com/webform>. You can also search this site if you cannot find your agency's number. Under normal circumstances, a new account can be created in 24-72 hours. The federal government has published DUNS Frequently Asked Questions at <http://fedgov.dnb.com/webform/displayFAQPage.do>. Check with your agency's financial office before registering for a DUNS number - it is likely your agency already has one.

WEM cannot award grant funds until an active DUNS number is provided.

Eligible Expenses: Grant funds may be used for travel/training, supplies and operating expenses and consultants/contractual.

All expenses must be new and cannot replace existing state or local government funding. Substitution of existing funds with federal grants (supplanting) will be the subject of monitoring and audit. Violations may result in a range of penalties, including suspension of current and future funds under this program, suspension or debarment from federal grants, repayment of monies provided under a grant, and civil and/or criminal penalties.

HS NIMS/ICS Training 2015

Program Description

The National Incident Management System (NIMS) provides a systematic, proactive approach to guide departments and agencies at all levels of government, nongovernment organizations, and the private sector to work seamlessly to prevent, protect against, respond to, recover from, and mitigate the effects of incidents, regardless of cause, size, location, or complexity, in order to reduce the loss of life and property and harm to the environment.

NIMS works hand in hand with the National Response Framework (NRF). NIMS provides the template for the management of incidents, while the NRF provides the structure and mechanisms for national-level policy for incident management.

Funding is provided to Wisconsin Emergency Management (WEM), Bureau of Planning and Preparedness to administer NIMS/ICS training classes offered through the statewide training portal for Wisconsin first responders.

Training may include however is not limited to ICS, PIO, mass fatality response, debris management, EOC operations, disaster response and recovery, bombing incident prevention and functional needs planning.

Submit Applications Using Egrants

Applications must be submitted through the Egrants online grants management system. If you have never used Egrants before, you will need to register for access to the system. To register online, go to <https://register.wisconsin.gov/accountmanagement/default.aspx> and complete the 'self registration' process

Authorization to access Egrants can take several days depending on registration activity. The WEM help desk is open Monday-Friday 7:30am-4pm if you need assistance. (Please note: If you register outside of these hours, access may not be approved until the next business day.) Once your Egrants access has been approved, you may begin your online grant application.

An Egrants System User Guide is posted on the WEM website:

<https://egrants.emergencymanagement.wi.gov/egmis/EgrantsExternalUserGuide9-12-2014WEM.pdf>

Application Components

Through Egrants, you will provide WEM with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to Michael Jordan at (608) 242-3335 or at Michael.Jordan@wi.gov.

1. Main Summary

This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button. Please note: When identifying individuals involved in this grant, you may not list the same person as project director and financial officer. The financial officer is the individual responsible for financial activities in your organization while the project director will be overseeing project operations.

In the Brief Project Description text box, please describe your project in 150 words or less. A suggested format is included for your convenience:

“Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what - equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project or equipment improve safety in Wisconsin?) [If appropriate, add which area(s) of the state will benefit]”

Responses to this section will be used on the WEM website, cited in WEM reports and could be mentioned in press releases. Plain language that clearly describes the intent of the project is most effective.

2. Approval Checklist

Answer Yes, No, or N/A (not applicable) to each question.

3. Performance Measures

Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

4. Budget Detail

Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the course of the grant period. It is important that you include specific details for each budget line item, including cost calculations.

Travel/Training: Any travel and/or training costs associated with the funded project. Only actual expenses will be reimbursed. All reimbursements will be at current state rates that are subject to change. Current rates for in-state travel at the time of this announcement include:

- Mileage: \$0.51/mile
- Lodging: Maximum \$82/night (\$90/night for Milwaukee, Waukesha or Racine County)
- Meals: \$8/breakfast (leaving before 6 a.m.); \$10/lunch (leaving before 10:30 a.m. and returning after 2:30 p.m.); \$20/dinner (returning after 7 p.m.); \$7/breaks

(Please note: Costs will only be reimbursed after submission of an event agenda and attendance list. Travel and training for contracted employees does not go in this section. These expenses should be itemized under “Contractual.”)

Supplies and Operating Expenses: Includes consumables such as paper, stationery, postage, and software. Also includes operating expenses such as rent and utilities. Show computations for all items. For example, Rent: \$150/mo x 12 months = \$1,800.

Consultants/Contractual: Provide costs associated with individuals or entities providing services through a contractual arrangement. With the exception of a few justified sole source situations, contracts should be awarded via competitive processes. Attach detailed information to support the total cost of each contract. For each consultant enter the name, if known; service to be provided; hourly fee; and estimated time on the project. Consultant fees are to be reimbursed at rate not to exceed \$50.00/hr. List all expenses to be paid from the grant to the individual consultant in addition to their fees (e.g., travel, lodging, meals, etc.). Show the basis of computation for each service requested. Within 30 days of grant award date, a signed contract must be received by WEM. No fund reimbursements will be made prior to receipt of the contract.

5. Project Narrative

Describe your program in detail, including what objectives would be accomplished. In addition, include the estimated number of classes WEM plans to offer including special classes, series of courses or pilot training projects.

Application Review and Award Criteria

All applications must be submitted on or before the deadline and will be screened for completeness and compliance with the instructions provided in this announcement. WEM staff will review applications to ensure consistency with statewide strategies and make funding recommendations to the Adjutant General. All final grant award decisions will be made by the Adjutant General.

Post-Award Special Conditions/Reporting Requirements

If you are awarded funds under this announcement, you will be required to provide regular progress reports. The schedule for your reports will be included in your grant award materials. At that time, please review all of your grant award special conditions and Egrants reporting requirements. In addition to any special conditions described in your award documents and reporting requirements contained in Egrants, you will need to provide the following:

1. Federal guidance must be followed when conducting NIMS/ICS classes in compliance with Homeland Security's Presidential Directive 5 (HSPD-5).
2. In the quarterly program reports the grantee is required to upload the local training request form and associated class roster for each individual class held during that quarter listing and labeling students/instructors that participate. These forms serve as the funding acknowledgments that are signed by local governments that allow the state to meet the federal requirement for local pass through.
3. Submit annual Training and Exercise Plan by June 1, 2016 and send to HSEEP@fema.dhs.gov

4. As new training and exercise policies are developed they are to be uploaded into your egrants quarterly reports.
